## Questions:

- 1: Our God knows me better than I know myself. How do I feel about this? How confident am I that God loves me deeply and wants the best for me?
  
- 2: Am I 'self-aware' — that is, am I aware of my strengths and weaknesses, needs and struggles? How aware am I of how others view me?
  
- 3: What thoughts (intentions, desires, hopes, worries) would I rather hide from God, and maybe even try to ignore in hopes they will just go away. What behaviours (habits, one time actions, choices) do I hope that God won't notice?
  
- 4: God transforms darkness into light. Are there specific things in my life that I really want God to transform?
  
- 5: Everywhere I turn, there God is! How does this impact my day to day life?
